

Please note some changes and tips for buying school supplies

In Mrs. Hickey's class:

- Accordion folders are not necessary in class, use it at home to organize your child's papers that are sent home.
- Additional Highlighters will be needed (approximately 3)
- Additional Glue Sticks (Minimum of 5 preferably Elmer's)
- Jumbo (larger than large) Book Covers (Please be aware that book covers come in different sizes and the smaller covers don't fit our larger textbooks.) 1 large size and 2 Jumbo
- Additional Marble Notebooks (Total of 6, preferably Mead. They are of a better quality and help to keep your child's work neat and intact after erasing.)
- Spiral Notebooks are not necessary.
- 3 Additional Folders (8 in total)

If you would like to color coordinate folders with marble notebooks to help your child stay organized, I associate the colors green, yellow, blue and red with the subjects in class. This helps with transitioning the students.

If you do:

For Ex. They will have 2 green notebooks and 2 green folders for ELA.

They will have a yellow notebook and a yellow folder for science.

1 red notebook and 1 red folder for Social Studies.

1 blue notebook and 1 blue folder for Math

(The other folders will be used for class work and homework)

*** Thank you for your anticipated cooperation, I hope this does not inconvenience you in any way***
