

* **NORTHSIDE DIRECTORY** *

Organized and published by the Northside PTA

NOW IS THE TIME TO GET YOUR CHILDREN INCLUDED IN THE NORTHSIDE DIRECTORY

The PTA publishes a directory that is useful for things such as play dates, homework checking, etc.

Once again, the PTA will be compiling such a resource that will also include other pertinent school information.

The listings will be alphabetical by GRADE & TEACHER.

Each participating family will receive a directory for free. Additional directories can be obtained for a nominal fee.

To be included in the directory, please have your child return the tear-off below to the PTA mailbox or to their classroom teacher by September 30th.

Please return this form to the PTA mailbox in the main office via your child.
