

School Supplies

The school supply kits from SchoolKidz will be delivered to Northside and ready for pick at the following times. If you ordered a kit through the PTA, you can pick it up in the school cafeteria on the dates listed below.

Wednesday, 8/25: 5:00 - 7:00 pm

Thursday, 8/26: 9:00 - 11:00 am

If you cannot make it on any of these dates, please try to arrange for someone else to pick up your kit for you. Otherwise, your children will get their kits on the first day of school from their classroom teachers. Please contact me if you have any questions.
