<https://ic.farmingdale.k12.ny.us/campus/portal/farmingdale.jsp>

The Parent Portal gives parents access to important information about their children's education. This web-based program allows parents of middle and high school students to check grades throughout the year. Together, the staff and parents can work together so every student can be successful.

Through the secure Farmingdale Parent Portal you will have real-time access to your child's *attendance information, report cards and interim reports*. Please note: attendance is preliminary until it is verified by the school attendance office.
